

Karina Melnykovych

Translator

Profile

Hi! My name is Karina, I'm 19 year-old student. I love to read and want to be a part of the book creation process, especially translating books that will allow more people to read good literature.

During my university studies, I translated a variety of texts and developed a solid understanding of language, tone, and nuance. Now I continue translating fiction on my own and constantly work on improving my skills.

Education

Secondary education, Economic and Humanitarian Lyceum, Berezne, Berezne

September 2012 — June 2023

I participated in English language competitions at school, studied German as a second foreign language, and took part in various English-related events, including language camps.

School website: <https://berezne-nvk.at.ua/>

Bachelor "Translation from English and second Western European(Spanish) Language", Educational and Scientific Institute of Philology, Kyiv, Kyiv
